크리스마스를 앞둔 연말에 개최된 'Art for Love' 미술매진에 오신 것을 환영합니다. 그에 회원분들이 기증해 주신 작품과 일부 IAC KOREA가들과 국내의 작가들의 작품을 위주로 구성한 미술매진에 동참하십시오.

본 행사에서는 새로운 친구들을 만나게 되실 것입니다. 그 중엔 일부는 타인의 기려 대상으로 여겨지기도 하여 일반 사람들이 무의식적으로도 회피 할 때가 많은 언더 클래스도 많은 새끼를 받게 되기도 합니다. 그래서 역시 흔치 볼 수 없는 친구들입니다.

그러나 다른 관점에서 보면 누구나 어떤 상황에 처해질 수 있다는 것을 알고 있을 수 있습니다. 그리고 이분들은 특히 누군가의 도움을 받아야만 있을 보고 나아가실 수 있습니다. 우리가 아니라도 누군가는... 그러나 우리가 아니라도 누군가요? 지금까지 누군가가 이 어려운 일들을 해 오고 있었기 때문에 우리는 편히 지낼 수 있지 않았을까, 그래서 나는 편히 생활하지 못하고 있지 않았을 까라는 생각을 해 보게 합니다. 이런 분들을 돕보기 위해 우리 사회에서 이름 없이 소리 없이 기도해 주시고, 봉사해주시기 때문에, 최선 최선은 분물이 계사기에 우리는 다른 행운을 누리게 될 것입니다.

우리가 할 수 있는 범위 내에서 최선을 다하고 작은 나눔이 도움이 손길이 되고 행하여 볼 수 있게 이번 행사는 이렇게 함께 만나지 못하는 친구를 만난 이나라, 남을 위한 것이 아니라, 우리를 위한 행사라고 여기 주시기 바랍니다. 감사합니다.

Four dollars or more for a cup of coffee and individual monthly phone bills of over 100 dollars is not normal in most parts of the world. We take it for granted and many of us complain that we do not have more.

We believe that a society is solid and well constituted when its components contribute within the best of their abilities with good will, caring for hope, trusting each other and by giving without expecting nothing in return. Even though we cannot measure a direct effect of these actions, we certainly know that the absence of these sentiments contributes to extreme individualism, lack of trust and hope.

Solidarity for our domestic and international institutions is the ground for a better future for all of us. For people who love arts, a beautiful world, in every sense of the word, must be the basic aim of life. And what is more beautiful than sharing with others what we can afford to share? Welcome aboard!

## GUBE & Myungdong Gallery

Myungdong Gallery was initially started as GUBE (<http://cafe.daum.net/etdh>), an online Internet community back in 2001. Currently it has over 48,000 members. GUBE has started as an open venue, with the motto "Let's paint! Everyone. Everywhere. Everytime" with the first atelier in Yeonshinnae, Northern Seoul in February 2001. GUBE is about to celebrate its 10th anniversary along with students from Myeongdong school, the art classes held at the Korea Fair Trade Commission in Gangnam, Southern Seoul and Samsung Culture Academy in Bundang, under the direction of painter Kwon Dae Ha.

## Our EMCEE and Auctioneer, Prof. Steven Brunton

Prof. Steven Brunton hails from Toronto (where it hails only sometimes, but snows with greater frequency). He has been living in Korea for 8 years, and works as a lecturer at Hongik University. He teaches subjects such as Public Speaking (performing the function of emcee at this auction may, just may, convince his employers to continue to seek his services), and Employment English (where students learn the fine art of making a Resume look like fine art). In his spare time, he enjoys mountain biking, playing guitar, and talking to his plants.

This is his fifth time serving as emcee for charity auctions in Korea, and he looks forward to this one being even more successful than previous ones.
