## Martyn Thompson

[www.m-art-yn.com](http://www.m-art-yn.com) | [martyn@m-art-yn.com](mailto:martyn@m-art-yn.com)

Martyn Thompson studied art at Oxford College of Further Education and Northampton University, before moving to Korea in 2007. His work challenges the way we perceive both the world and the objects around us, by creating multiple viewpoint images. These works examine the human body through deconstruction and reconstruction, also referencing 3D texture mapping, by unwrapping the human form in to a flat plane.

### Education

2007 BA (Hons) Fine Art, Northampton University, Northampton, England
